DATE RECEIVED

HAPPY VALLEY-GOOSE BAY

Dear Mayor Snook,

I acknowledge your support request related to the town's plan to host the Canadian Armed Forces Snowbirds in Happy Valley-Goose Bay in July 2017. I'm delighted to hear that our community intends to celebrate this very important national milestone with our prestigious air demonstration team.

Canada's 150th anniversary will be celebrated across our great country and members of 5 Wing Goose Bay will have the privilege to share this unique experience with our community.

Hosting the Canadian Armed Forces Snowbirds in Happy Valley-Goose Bay is a great initiative and the Wing will support this event, if the funding is made available and the Snowbirds request is approved.

Captain Olivier Gallant, 5 Wing Public Affairs Officer, will sit on the planning committee on behalf of the Wing. Given his past experience with the Snowbirds, he will be able to advise your staff appropriately.

Sincerely,

Andrew Wedgwood
Lieutenant-Colonel
Wing Commander
