Hamilton River Settlement,
Goose Bay, Labrador,
29 Sept. 46

The Dept. of Public Works,
St. Johns,
Newfoundland.

Road Grant, \$1000.00

1. We the herewith attached do humbly petition the Department of Public Works for the sum of \$1000.00 for the purpose of building a road from Hamilton River Settlement to the main road of Goose Airport, which is a distance of about three miles.
2. The said road is our only means of transportation to and from our work at Goose Airport, and the only means of transportation from this settlement to Hospital Facilities. These facilities are urgently needed as about three hundred people live in this settlement.
3. We have collected about one third of the estimated cost to build the said road. The United States Engineers Dept. have agreed to loan us some equipment to do the job.
4. Wishing to be obliged and that this will meet with your approval, we remain your humble petitioners.
